One Goal for Choices Life Resource Center is to promote unity in the body of Christ. We understand that volunteers may have different religious practices but agree on the following Statement of Faith.

STATEMENT OF FAITH

1. We believe the Bible, consisting of 66 books of the Old and New Testament, is the inspired, infallible, authoritative Word of God.
2. We believe there is one God eternally existent, revealed to us in three persons: Father, Son, and Holy Spirit.
3. We believe in the Deity of our Lord and Savior Jesus Christ, that He was conceived by the Holy Spirit, was born of a virgin, and lived a sinless life; that He performed miracles; that by His death on the cross He made provision for the redemption of men and women from sin; that He ascended into heaven to the right hand of God; and that He will return in power and glory to judge the world and complete His redemptive purpose.
4. We believe the Holy Spirit is the Spirit of God. He inspired men to write the Scriptures, enables men and women to understand truth, exalts Christ, convicts of sin, calls men and women to the Savior Jesus Christ, and effects regeneration. We believe He empowers believers to live godly lives, comforts believers, and bestows spiritual gifts on believers by which they serve the Savior Jesus Christ.
5. We believe that, for the salvation of the lost and sinful people, regeneration (the conviction of sin, repentance toward God, faith in the Lord Jesus Christ) by the Holy Spirit is essential. Salvation is not the result of good works.
6. We believe in the resurrection of both the saved and the lost. We believe the saved are resurrected unto life everlasting and the lost are resurrected unto eternal condemnation.
7. We believe in the spiritual unity of redeemed believers in the Lord Jesus Christ and in the scriptural importance of church membership.
8. We believe every Christian is under obligation to seek to make the will of God supreme in his or her own life and in human society. We believe it is our responsibility and privilege to minister to those who are orphaned, in need, and helpless, being careful to act with redemptive love without compromising our loyalty to Christ and His truths.
9. We believe in the purposes of the Choices Life Resource Center Resource Center as set forth in its By-laws and agree to abide by those purposes as we serve this Center.

Our Beliefs

The Child

- (1) The Bible clearly teaches the humanity, personhood, intrinsic value, and divine creation of the unborn child from the point of conception.

The Pregnant Woman

- (1) She is a person for whom Christ died; therefore, she deserves the Christian's acceptance, love, and care.
- (2) She is accountable to God for her choices about her pregnancy, her unborn child, her own life, and her response to God.

The Christian

- (1) Each Christian has a divine obligation to protect the unborn child and to promote the sanctity of life.
- (2) For the Christian, to fail to protect the life of the unborn child is a sin.
- (3) A Christian is called to minister to the pregnant woman and her child.

CONFIDENTIALITY POLICY

Choices Life Resource Center adheres to a strict code of confidentiality. Each client who comes to the center deserves our utmost care and respect. At no time should our clients fear betrayal on the part of the very people they have come to for help.

The basis for confidentiality in a client-helper relationship:

Confidentiality Breeds Trust:

Trust is a basic ingredient in human relationships. It is the basis upon which a solid friendship is formed. Without this trust, the likelihood of meeting the needs of clients who come to our center is virtually destroyed. A client assured of confidentiality is more likely to trust his/her helper and thus be more willing to respond to counsel.

Confidentiality Protects Integrity:

Confidentiality protects the integrity of Choices Life Resource Center Resource Center and prevents the possibility of unnecessary legal entanglements. Copies of the client information sheets are to be kept private. After they are entered in the computer, shred the originals, and file all information in the client file. The client files should be locked.

Confidentiality Prevents Gossip:

Confidentiality protects volunteers from the temptation to gossip. At the same time, this releases other volunteers from the temptation to listen to gossip! Discussing client problems with other volunteers should never be done for the purpose of aiding yourself in the counseling process. Client situations are to be discussed only with the Assistant Director or the Executive Director. Prayer with and for other staff persons is encouraged including a generic "please meet the needs of our clients". God knows their names. Learn to unload on God. This will help you keep problems in the proper perspective.

Maintaining Confidentiality:

1. Do not relay any factual information about a client to anyone other than a Staff Member (Executive Director, Client Services Director, Administrative Director, Center Manager).
2. I understand that I must report all suspicion of abuse, threat, or underage sexual activity (under 16) to the Executive Director before the client leaves.
3. Client must sign "Release of Information Form" before discussing a client with personnel from another agency (including pastoral staff at a church).
4. Destroy all papers (not for client file) containing confidential material by shredding.

I agree to abide by the policy of confidentiality.

CLIENT ADVOCATE AGREEMENT

Recognizing that Choices Life Resource Center Resource Center (CLRC) is an evangelistic ministry, I understand the mission statement of CLRC: CLRC exists to demonstrate and share the life-changing message of Jesus Christ by providing practical help and loving support to those facing an unplanned pregnancy. I openly acknowledge my personal faith in Jesus Christ as my Lord and Savior. I profess that my life is a witness for Jesus Christ. I have read the Center's Statement of Faith and am in complete agreement. I am committed to sharing biblical values not cultural norms or denominational preferences.

I believe in the sanctity of human life as taught in the Bible and, therefore, reject abortion as an acceptable option for a woman facing a crisis pregnancy in any circumstance including rape, incest, or deformity. I will not participate in any action which results in the destruction of innocent human life which begins at conception and ends in natural death.

I am committed to sexual purity both personally and in imparting truth to clients.

All information on CLRC clients will be kept in the strictest confidence. I will continue to keep the information confidential even after I am no longer a volunteer for CLRC. I have read the Policy of Confidentiality and am in complete agreement.

Understanding the vital role volunteers play in the work of the CLRC, I will do my best to be faithfully committed to fulfill the role I have agreed upon. I understand that every job is important, whether meeting directly with clients or doing behind the scenes work. I understand that it will be necessary for me to attend in-service training sessions as scheduled. I will do my best when I arrive to pray for 5 minutes, review bulletin board materials and record my time served. I will stay on site for the entirety of my volunteer time, understanding that even though I may not have a client I can be ready to serve as the need arises.

I certify that the facts presented in my application are true and complete to the best of my knowledge, and I authorize CLRC to verify their accuracy and to obtain reference information concerning my character capabilities. I authorize a criminal background check to be performed as a requirement for volunteer service. I release CLRC and any person or entity providing such reference or background information from all liability relating to the provision of such information or relating to any decisions made based upon such information. I recognize that, as a volunteer, I will serve in a different role than the employees of CLRC, and I am not seeking nor expecting to receive any compensation or other benefits in return for any volunteer services which I provide for this ministry.
