

# HELPING TO BUILD New Pathways

## RENDER UNTO CAESAR

The IRS was benevolent this year and granted folks an extra three days for tax preparation. The official date was moved from April 15 (Good Friday) to Monday, April 18. Did that help you as you considered “rendering unto Caesar?”

I often “redeem” my makeup application time by listening to the audio Bible. A few weeks ago the reading was from Matthew chapter 22.

Verses 20 and 21 state, “And He said to them, “Whose likeness and inscription is this?” They said to Him, “Caesar’s.” Then He said to them, “Then render to Caesar the things that are Caesar’s and to God the things that are God’s.” I’ve never considered this story a pro-life message. That is, until this day. I just could not get the word “likeness” or in some translations, “image” out of my head. In Genesis 1:27 it says, “And God created man in His own image, in the image of God He created them, male and female, He created them.” We understand paying taxes, even if we don’t like it. But what does it mean in this context to render unto God what is His likeness? At CHOICES we see this in very practical terms.

***We affirm the dignity of parents made in His image, we affirm the value of tiny preborn life in the womb who are created in His image, and we share the Good News of the Gospel.***

Abortion is an act of violence that intentionally takes the life of a preborn image-bearer. Therefore, abortion is an assault on God Himself. Rather than “rendering unto God what is His,” an abortion steals what belongs to God.

Recently, you’ve probably heard many politicians say, “We are in the fight for the soul of America.” As Christ-followers we are fighting for the lives of preborn babies and for the souls of their parents. It is our privilege and responsibility to “render unto God” those created in His image.

# FUNDRAISING *banquet*

Do you remember less than six months ago when we had our largest fundraising banquet in CHOICES history? Nearly 500 people attended and gave or pledged an amazing \$200,000.

In meetings afterward with Kirk Walden, our speaker, we expressed our desire to go back to a Spring event. We theorized that since it would be a short turnaround time to spring 2022, the event would be smaller, but

would get us back on schedule. He challenged us to put doubt aside and plan another large event and see what God can do. Well, we invited the nation's number one prolife apologist, and number one pregnancy center fundraiser, Dr. Marc Newman, along with several hundred of our friends and...wowza! The venue was filled with current partners and lots of new friends.

Dr. Newman issued a challenge to the men in the room to step up and be heroes for babies. Obviously, in SoIN, we are amongst true life superheroes. After hearing the hard truth about abortion, partners stepped up with another \$237,440 in donations and monthly pledges.

God is calling us to new pathways into Clark and Crawford Counties, and has provided a new larger space in Corydon. He is preparing the ministry for what is ahead. Be on the lookout for email updates about our Corydon renovation, which will almost double our current space.

God is working and we are joining Him on pathways around the region. As Rose Condra, Executive Director, said, "The laws in our country and state may or may not change to protect the innocent. However, in Floyd County, in Harrison County, in Washington County, in Clark County, and in Crawford County our doors will be open, and we will be protecting more women, more men, and more babies than ever before this year and on future pathways in the years to come."

## FREE LUNCHES IN 2022

During Lunch for Life (formerly Lunch and Learn) you will see first-hand what your partnership means. This free event includes a tour of the facility, testimonies from clients, and a time to get your questions answered. Lunch for Life is

the third Wednesday of each month at noon, rotating quarterly among the three locations. May is in Corydon, June in Salem, and July is in New Albany. Thanks to a friend of the ministry, food is provided, so RSVPs are required the Tuesday prior. Call 812.941.0872 X312, or RSVP to [info@ChoicesLRCcares.org](mailto:info@ChoicesLRCcares.org).

**DRIVE 4 LIFE**  
Your trip to the BMV in person or online can benefit CHOICES. Simply request a "Choose Life" license plate and a \$25 donation will go to the pregnancy center in your county. We now receive funds from Floyd, Clark, Harrison, Washington, and Crawford Counties. Nearly \$90,000 went to pregnancy centers throughout Indiana in 2021! Visit [ChooseLifeIndiana.com](http://ChooseLifeIndiana.com) for more information.
